

## **Unity Veterinary Physiotherapy Client Consent Form**

### **Personal Data**

Your privacy is important to us at Unity Veterinary Physiotherapy and the handling of your data will comply with the General Data Protected Regulation (GDPR). We will collect some personal information including your name, address, telephone numbers and email address, as well as your animal/s history provided by the referring veterinarian.

We require this information in order to provide the services that we offer, and without it, we may be unable to do so.

We may need to share this information with those involved in the treatment of your animal/s, and we may also need to ask other organisations for information about you and your animal. This allows us to meet our legal responsibilities and to provide our services.

All personal data is processed by Unity Veterinary Physiotherapy and stored on a password protected device. This can include written communication, emails, photographs, and audio and video recordings. We take all reasonable steps to ensure that all personal data is processed and stored securely and in accordance with the Data Protection Act (2018).

All personal data is kept for a minimum of 6 years, and if it is no longer required for lawful purposes, it will be destroyed.

### **Use of Pictures and Videos on Social Media and Website**

By ticking the box below, you agree for Unity Veterinary Physiotherapy to use any photos or videos of your animal/s to be published on Facebook, Instagram, LinkedIn, and/or their website. Any photos or videos that you provide to Unity Veterinary Physiotherapy may also be used as well.

### **Client Consent to Treat**

I consent to Unity Veterinary Physiotherapy to perform veterinary physiotherapy treatment on the named animal.

I give consent for the veterinary physiotherapist to discuss treatment and details of the named animal with my veterinary surgeon and understand that they may refer the named animal back to the veterinary surgeon if they feel it is necessary to do so. I understand that even if I no longer wish to use the services provided,

the veterinary physiotherapist may still refer back or discuss treatment with the veterinary surgeon if required to.

By signing below, you have read and agreed to the above information on personal data, and consent to treatment. You have also read and accepted our terms and conditions.
